AND IT GOES LIKE THIS...

by G. Andi Rhos

“Ms. Rhos’ characters are very real along with their trials, tribulations and life challenges, which are reflections of many of our own. This is indeed the wonderfully dynamic story of Charlotte-Louise’s coming of age and human transformation. *And It Goes Like This...* is a triumphal modern literary work that will draw the reader in for a spellbinding journey into human interaction and life’s many travails.”
